Pageant Qualification

After reviewing the age and all necessary requirements to enter the pageants and establishing that you qualified for this prestigious event, the following are the requirements within the program that you need to follow to participate.

- You must either have Lupus or an autoimmune deficiency.

There is no participation fee to enter, however every contestant is required to promote and sponsor 10 tickets for the event @ \$20 a ticket a total of \$200 (VIP tickets are \$30). You are free to give these tickets to whomever you wish to. We need members of the community to come to this event to learn, be educated about lupus and autoimmune deficiencies for them to spread the message of Hope and a possibility for a cure.

After 5 sponsored tickets a sash with your City/State or Country will be ordered to be used for promotions. The deadline for sash ordered is January 20th while the deadline to enter is February 20th. If the city that you have selected to represent is taken you can choose the next available city, please keep in mind that this is a competition and choosing a city that your family comes from is very wise or it can be a city you lived in for a long time.
